Sixth Kerala Legislative Assembly

Bill No. 5

THE KERALA SMALL CAUSE COURTS (AMENDMENT) BILL, 1980

A

BILL

to amend the Kerala Small Cause Courts Act, 1957.

Preamble:—WHEREAS it is expedient to amend the Kerala Small Cause Courts Act, 1957, for the purpose hereinafter appearing;

BE it enacted in the Thirtyfirst Year of the Republic of India as follows:—

1. *Short title.*—(1) This Act may be called the Kerala Small Cause Courts (Amendment) Act, 1980.

2. *Insertion of new section 32A.*—In the Kerala Small Cause Courts Act, 1957 (8 of 1957), after section 32, the following section shall be inserted, namely:—

"32A. *Rules to be laid before the Legislative Assembly.*—Every rule made under this Act shall be laid, as soon as may be after it is made, before the Legislative Assembly while it is in session for a total period of fourteen days which may be comprised in one session or in two successive sessions, and if, before the expiry of the session in which it is so laid or the session immediately following, the Legislative Assembly makes any modification in the rule or decides that the rule should not be made, the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be; so however that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.".

STATEMENT OF OBJECTS AND REASONS

The Committee on Subordinate Legislation of the Kerala Legislative Assembly had recommended in its sixth and eighth reports that Government should take suitable steps to incorporate in all the Acts provision for the laying of rules and notifications issued thereunder before the Legislative Assembly in cases where such provision does not already exist.

The Kerala Small Cause Courts Act, 1957, does not contain a provision for the laying of rules and notifications issued thereunder before the Legislative Assembly. The Act provides for the making of rules by the Government and the High Court. The Act also empowers the Government to issue notifications. The notifications to be issued under the Act are for the purposes of establishing Courts of Small Causes at any place in the State, appointing Judges and Additional Judges for Courts so established, directing that two Judges of Courts of Small Causes or a Judge and an Additional Judge of a Court of Small Causes shall sit together for the trial of suits or applications cognizable by a Court of Small Causes, conferring upon the Registrar of a Small Cause Court the Jurisdiction of a Judge of a Court of Small Causes for the trial of suits of which the value does not exceed twenty rupees, directing that all suits of a civil nature of which the value does not exceed one thousand rupees shall be cognizable by Court of Small Causes mentioned in the notification and abolishing a Court of Small Causes.

The notifications to be issued under the Act are of a routine nature and therefore it is not considered necessary to provide for the laying of such notifications before the Legislative Assembly. Therefore, it is proposed to provide for the laying of rules made under the Act only before the Legislative Assembly. The Bill is intended for this purpose.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.

22. *Repeal and saving.*—(1) The Kottayam Electric Supply Agency (Undertaking) Acquisition Ordinance, 1980 (2 of 1980), is hereby repealed.

(2) Notwithstanding such repeal, anything done or any action taken under the said Ordinance shall be deemed to have been done or taken under this Act.

STATEMENT OF OBJECTS AND REASONS

The licence for the supply of electric energy in the area falling under the jurisdiction of Kottayam Municipal Council was given by the erstwhile Government of the State of Travancore under the Travancore Electricity Act of 1097 M.E. to Shri R. N. Narayanan Mooss, Ayurvedic Physician, Vayaskara, Kottayam, in the year 1105 M.E. corresponding to 1930 A.D. It was provided in the licence that the option of purchase under section 7(1) of the Travancore Electricity Act shall first be exercisable by Government on the expiration of 50 years from the date of notification of the licence and on the expiration of every subsequent 20 years. The original period of licence expired on 13-2-1980.

2. The service offered by the licensee and his successors-in-interest to the consumers in the licensee area was consistently inadequate, irregular and unsatisfactory. The licensee failed to maintain declared voltage of supply to the consumers as provided for in rule 54 of the Indian Electricity Rules. Continuity of supply to consumers was not safeguarded as provided for in rule 59 of the Indian Electricity Rules. Rules 29, 61 and 92 of the Indian Electricity Rules which are important from the point of view of safety to the public, were not observed by the licensee. The licensee was reluctant to invest adequate amounts on improvement works. He was not regular in the rendering of statutory returns under the Kerala Electricity Duty Act, 1963. He was falling in heavy arrears in the payments due to the Kerala State Electricity Board for supply of energy. He was not rendering annual statements of accounts in accordance with the financial principles laid down in the Sixth Schedule to the Electricity (Supply) Act, 1948. In the circumstances the State Government took over the management of the Kottayam Electric Supply Agency of the licensee under rule 115(2) of the Defence and Internal Security of India Rules, 1971, for a period of one year with effect from 3-10-76. On the expiry of one year, the District Collector, Kottayam, attached the Kottayam Electric Supply Agency and placed the same under his management under section 43 of the Kerala Revenue Recovery Act, 1968, for realisation of arrears due to the Kerala State Electricity Board. The management continued to vest with the District Collector, Kottayam, as the arrears had not been liquidated.

3. By virtue of the tariff structure in force in the licensee area, the monthly collection from consumers is less than the bill amount of the Electricity Board for supply of energy to the licensee area through the District Collector. As a result the arrears were mounting instead of getting progressively reduced.

4. Kottayam as headquarters of one of the districts of Kerala has great potential for growth. There is also felt need for investments to promote industrial and agricultural growth. The infrastructure for distribution of electricity installed and maintained poorly by the licensee is unable to cope up with the growing demand of the developing area. The conductors and

cables and other distribution installations are obsolete and worn out. It has been estimated that nearly 40 lakhs will have to be invested if the system is to be modernised to take care of the developing needs of the area. It was therefore considered necessary to acquire the undertaking of the licensee by the Government and to hand it over to the Kerala State Electricity Board in order to ensure efficient, regular and adequate supply of energy to the consumers in the licensee area.

5. As the Legislative Assembly was not in session, the proposal was given effect to by the promulgation of the Kottayam Electric Supply Agency (Undertaking) Acquisition Odinance, 1980, on the 13th February, 1980. The Bill seeks to replace the Ordinance by an Act of the Legislature.

FINANCIAL MEMORANDUM

Clause 6 of the Bill seeks to provide for the payment to the licensee for the transfer and vesting in the Government of the undertaking of the Kottayam Electric Supply Agency an amount determined in accordance with the provisions of the Bill. The expenditure that has to be incurred on this account has to be assessed after making the deductions mentioned in clauses 8 and 9 and after auditing the accounts of the Kottayam Electric Supply Agency. Therefore, it is not possible at this stage to estimate the amount payable with any degree of accuracy.

2. Sub-clause (1) of clause 10 of the Bill seeks to provide for the appointment by the Government of a person having adequate knowledge and experience in matters relating to accounts as Special Officer to assess the net amount payable under the Act by the Government to the licensee. It is proposed to appoint a Joint Secretary to Government in the Finance Department for this purpose for a period of two months. The expenditure on this account will be Rs. 3,500 approximately.

3. Clause 11 of the Bill seeks to provide that every whole time Officer or other employee who was immediately before the appointed day, employed in connection with the undertaking shall become an officer or employee, as the case may be, of the Government or the Board and shall hold his office by the same tenure, at the same remuneration and upon the same terms and conditions and with the same rights and privileges as to pension, gratuity and other matters as would have been admissible to him if the undertaking had not been transferred and vested in the Government or the Board. The undertaking has been transferred to the Board under section 5 of the Ordinance and therefore the officers and other employees have become officers and employees of the Board and therefore no expenditure from the Consolidated Fund of the State is involved on this account.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Sub-clause (4) of clause 4 of the Bill seeks to empower Government to authorise any Officer or servant of the Government or the Board to take possession of the entire undertaking, or as the case may be, the fixed assets and of all documents relating to the undertaking which the Government may require for carrying on the undertaking after removing may obstruction, if any, that may be offered.

2. Clause 5 of the Bill seeks to empower the Government to transfer, by order in writing, the undertaking vested in them under clause 3 to the State Electricity Board on such terms and conditions as may be specified in the order.

3. Clause 10 of the Bill seeks to empower Government to appoint, by order in writing, a person having adequate knowledge and experience in matters relating to accounts as Special Officer to assess the net amount payable by the Government to the licensee.

4. Clause 12 of the Bill seeks to empower the Government and the Special Officer appointed under clause 10, to authorise by general or special order any employee of the Government or the Board to enter upon any land or premises in the possession of the licensee and make any survey, examination or investigation preliminary or incidental to the purposes of the Act, after giving the licensee reasonable notice.

5. Sub-clause (1) of clause 19 of the Bill seeks to provide that no court shall take cognisance of any offence against the Act except on a complaint in writing made by the Government or any officer authorised in that behalf by the Government. Sub-clause (2) of the said clause seeks to enable the Government to specially empower any Magistrate of the First Class to impose a sentence of fine exceeding five thousand rupees when awarding punishment under section 14.

6. Sub-clause (1) of clause 20 of the Bill seeks to empower Government to appoint an arbitrator where any dispute arises in respect of any of the matters specified in items (a), (b) and (c).

7. Sub-clause (1) of clause 21 of the Bill seeks to empower Government to make rules by notification in the Gazette to carry out the purposes of the Act.

8. The matters in respect of which orders may be issued or rules may be made are of an administrative or routine nature or matters of procedure. Further the rules shall be subject to the scrutiny of the Legislative Assembly. The delegation of legislative power is thus of a normal character.

Sixth Kerala Legislative Assembly
Bill No. 4

THE KERALA CIVIL COURTS (AMENDMENT) BILL, 1980

A

BILL

further to amend the Kerala Civil Courts Act, 1957.

Preamble.—WHEREAS it is expedient further to amend the Kerala Civil Courts Act, 1957, for the purpose hereinafter appearing;

BE it enacted in the Thirty-first Year of the Republic of India as follows:—

1. *Short title.*—This Act may be called the Kerala Civil Courts (Amendment) Act, 1980.

2. *Insertion of new section 20C.*—In the Kerala Civil Courts Act, 1957 (1 of 1957), after section 20B, the following section shall be inserted, namely:—

"20C. *Rules to be laid before the Legislative Assembly.*—Every rule made under this Act shall be laid, as soon as may be after it is made, before the Legislative Assembly while it is in session for a total period of fourteen days which may be comprised in one session or in two successive sessions, and if, before the expiry of the session in which it is so laid or the session immediately following, the Legislative Assembly makes any modification in the rule or decides that the rule should not be made, the rule shall thereafter have effect only in such modified form or be of no effect, as the case may be, so however that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule.".

STATEMENT OF OBJECTS AND REASONS

The Committee on Subordinate Legislation of the Kerala Legislative Assembly had recommended in its sixth and eighth reports that Government should take suitable steps to incorporate in all the Acts provision for the laying of rules and notifications issued thereunder before the Legislative Assembly in cases where such provision does not already exist.

The Kerala Civil Courts Act, 1957, does not contain a provision for the laying of rules and notifications issued thereunder before the Legislative Assembly. The Act provides for the making of rules by the Government and the High Court. The Act also empowers the

Government and the High Court to issue notifications. The notifications to be issued under the Act are for the purpose of dividing the State into civil districts, altering the limits or number of such districts, fixing the number of Subordinate Judges to be appointed for a Subordinate Judge's Court or the number of Munsiff's to be appointed for a Munsiff's Court, directing that all or any class of proceedings arising in a specified local area in a district which would ordinarily be instituted in the District Court may be instituted before an Additional District Judge of that Court sitting in a place other than the place where the District Judge sits and investing any District or Subordinate Judge or Munsiff with the jurisdiction of a Judge of a Court of Small Causes.

The notifications to be issued under the Act are of a routine nature and therefore, it is not considered necessary to provide for the laying of notifications issued under the Act before the Legislative Assembly. Therefore, it is proposed to provide for the laying of rules made under the Act only before the Legislative Assembly. The Bill is intended for this purpose.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any expenditure from the Consolidated Fund of the State.
